

**INDEPENDENT AUDITORS' REPORT**

To the Members of
Kandarp Digi Smart BPO Limited.

Report on the Audit of Financial Statements**Opinion**

We have audited the Financial Statements of Kandarp Digi Smart BPO Limited (hereinafter referred to as "the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our opinion, no significant audit findings come to our notice which can be classified as key audit matter.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

"Annexure B" to the Independent Auditors' Report

(Referred to in paragraph 2(A) (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date of Kandarp Digi Smart BPO Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to Financial Statements of Kandarp Digi Smart BPO Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31 March 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

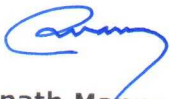

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note No.	13	SIGNIFICANT ACCOUNTING POLICIES:		
13.a.	Basis of Preparation: These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis.			
13.b.	Property, Plant & Equipment			
	An item is recognised as an assets, if and only if, it is probable that economic benefits associated with the item will flow to the Company and its cost can reliably be measured. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non refundable duties and taxes but excluding any trade discounts and rebates), any directly attributable cost of bring the asset to its present working conditions and locations for its intended use.			
	Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and impairment losses. When significant parts of PPE are required to be replaced in regular intervals, the Company recognises such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised.			
	The expenditure that are incurred after the item of PPE are ready for its intended use, such as repairs and maintenance, are normally charged against the revenue in the profit & loss statement in the period in which costs are incurred. However, in situations where such expenditure incurred can be measured reliably, and is probable that economic benefits associated with it will flow to the Company, it is included in the assets carrying value or as a seperate asset, as appropriate.			
	Depreciation is provided based on Written Down value method over the useful life of respective fixed assets in accordance with Schedule II (Section 123) of Companies Act, 2013. The Residual value of all fixed assets has been prescribed at 5% of their original cost.			
	The cost and accumulated depreciation for PPE sold, discurded or otherwise disposed off are derecognised from balance sheet and the resulting loss or gains are included in the statement of profit and loss within other expenses / other income.			
	Capital work in progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date.			
13.c.	Investments: No quoted or unquoted investments are held at the reporting date.			
13.d	Valuation of Inventories: The Company is rendering services and it does not require any inventories, accordingly, there is no inventory as on the balance sheet date.			
13.e.	Revenue Recognition: Revenue from rendering of services is recognized on performance of the service agreement, on the basis of completed service contract method and to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, and no significant uncertainty exists regarding the amount of consideration that will be derived. Revenue from interest are recognized on time proportion basis taking into account the amount outstanding and at the rate applicable. Revenue from Dividends are recognized only when the owner's right to receive is established. Other revenue such as gain on sale of assets or current investments are recognized when they are actually realized.			
13.f.	Retirement Benefits:			
	The Company's employee benefits mainly includes, salary, wages, bonus and incentives. The employee benefits are recognised in the year in which the associated services are rendered by the employees of the Company. Short term employee benifits are recognised in the statement of profit & loss at undiscounted amounts during the period in which the services have been rendered. Details of long term employee benifits are provided below.			
	Defined Contribution Plan: A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions to a statutory authority and have no legal or constructive obligation to pay further amounts. The Company's contributions to defined contribution plans are recognised as an expense in the statement of profit & loss as and when the serves are rendered by employess. The Company has no further obligations under these palns beyond its periodic contributions.			
	Defined Benefit Palns: A defined benifit plan is a post-employment benefit plan other than difined contribution plan. Under defined benefit plans the Company provides retirement obligation in the form of gratuity. Under the paln, a lum sum amount is made to eligible employees at retirement or termination of employment based on respective employee's salary and years of services with the Company. The Company records the liability based on actuarial valuation under the projected unit credit method.			
	Other long term employee benefits: Other long term employee benefits such as encashment of leave balances that were earned by employees over the past period of services are not provided to the employees.			

13.g.	Taxation: Tax expenses comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with The Income Tax Act, 1961 enacted in India. Deferred Income Tax reflects the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing difference for the earlier year. Deferred tax is measured using the tax rate and the tax law enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing difference. deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.
13.h.	Provision, Contingent Liabilities and Contingent Assets: A provision is recognized when the company has a present obligation as a result of past event and is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimates can be made. Provisions are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statement. A contingent assets is neither recognized nor disclosed in the financial statements.
13.i.	Earning per Share:- Basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period diluted earning per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earning per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.
13.j.	Foreign Currency Transaction: The Company doesn't have any foreign Currency Transactions.
13.k.	Segment Reporting: The Company operates in single line of business in one geographical area. Therefore, segment reporting as per AS-17 has not disclosed.
13.l	Impairment of Property, Plant & Equipment
	The carrying amount of assets are reviewed for impairment at each reporting date. An impairment loss is recognised for the amount by which the assets' carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the assets net selling price and value in use. To calculate value in use, estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects the current market rates and risk specific to the asset. For an asset that does not generate largely independent cash flows, the recoverable amount is determined for the cash generating unit to which the asset belong. Net selling price is best estimate of the amount obtainable from sale of the asset in an arm's length transactions between knowledgeable, willing parties, less cost of disposal.
