

**INDEPENDENT AUDITOR'S REPORT****To the Members of VIBRANT EDUCARE PRIVATE LIMITED.****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Vibrant Educare Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2023, the statement of profit and loss, and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its Profit and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

**Key Audit Matters**

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Other Information**

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Board of Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the adequacy and operating effectiveness of the company's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatement in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

**Annexure B" to the Independent Auditors' Report**

(Referred to in paragraph 2(A) (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date of **Vibrant Educare Private Limited**)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

**Opinion**

We have audited the internal financial controls with reference to Financial Statements of **Vibrant Educare Private Limited** ("the Company") as of 31 March 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31 March 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

**Meaning of Internal Financial Controls with reference to Financial Statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Note No. 19 SIGNIFICANT ACCOUNTING POLICIES:

The financial statement have been prepared in accordance with Generally Accepted Accounting Principles and Practices, including the Accounting Standards notified under the relevant provisions of the Companies Act 2013 and are based on historical cost convention and accrual system of accounting. The significant accounting policies followed are stated below:

- a) **Basis of Preparation:** The financial statement have been prepared in accordance with Generally Accepted Accounting Principles and Practices, including the Accounting Standards notified under the Companies (Accounting Standards) Rule 2006 issued in accordance with the provisions of Section 133 of the Companies Act 2013, read with relevant rule issued thereunder and are based on historical cost convention and accrual system of accounting. The accounting policies, not stated otherwise, adopted in preparation of the financial statements are consistent with the Accounting Standards prescribed under the Act.
- b) **Use of Estimates:** The preparation of the financial statements in conformity with the Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of income, expense and assets and liabilities (including contingent liabilities) at the end of the reporting period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about the assumptions and estimates could result in the outcomes resulting a material adjustment to the carrying amount of assets and liabilities in future periods.

The Management believes that the estimates and assumptions used in the presentation of financial statements are prudent and reasonable. Actual result could differ from these estimates.

c) **Property, Plant & Equipment**

An item is recognised as an assets, if and only if, it is probable that economic benefits associated with the item will flow to the Company and its cost can reliably be mesured. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (incuding non refundable duties and taxes but excluding any trade discounts and rebates), any directly atributable cost of bring the asset to its present working conditions and locations for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and imparement losses. When significant parts of

PPE are required to be replaced in regular intervales, the Company recognises such parts as separate component of assets. When an item

of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. The expenditure that are incurred after the item of PPE are ready for its intended use, such as repairs and maintenance, are normally charged against the revenue in the profit & loss statement in the period in which costs are incurred. However, in situations where such expenditure incurred can be mesured reliably, and is probable that economic benifits associated with it will flow to the Company, it is included in the assets carrying value or as a seperate asset, as appropriate.

Depreciation is provided based on Written Down value method over the useful life of respective fixed assets in accordance with Schedule-II (Section 123) of Companies Act, 2013. The Residual value of all fixed assets has been prescribed at 5% of their original cost.

The cost and accumulated depreciation for PPE sold, discurdred or otherwise disposed off are derecognised from balance sheet and the resulting loss or gains are included in the statement of profit and loss within other expenses / other income.

d) **Investments:** The company has not invested in any securities (quoted or unquoted), immovable properties properties, or in partnership during the period under reporting and carrying value of investment reporting period is Rs. 72,509/-

e) **Valuation of Inventories:** As there is no inventory as on the balance sheet date, question of valuation does not arise.

f) **Revenue Recognition:** Revenue from rendering of services is recognized on performance of the service agreement, on the basis of completed service contract method and to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, and no significant uncertainty exists regarding the amount of consideration that will be derived. Revenue from interest are recognized on time proportion basis taking into account the amount outstanding and at the rate applicable. Revenue from Dividends are recognized only when the owner's right to receive is established.

Other revenue such as gain on sale of assets or current investments are recognized when they are actually realized.

g) **Employee Benefits:** The Employee benefits payable only within 12 months of rendering the services are classified as short term employee benefits, such as salaries and allowances and the expected cost of bonus are recognized as an expense in the profit & loss statement for the period in which the employee renders the related services. The company is not required to comply with provisions of Provident fund & ESI.

h) **Taxation:** Provision is made for income tax and deferred tax liability as per the provision of AS-22.
